

Job Description: Mental Health Clinician - Licensed

Welcome to our group practice: Seva Mental Health & Wellness Group!
We are looking for a licensed clinician to join our group practice as a 'full time' employee.

We are looking for the right fit and the perfect someone who ...

Has completed their master's or doctoral degree.
Has a knowledge of counseling or clinical psychology.
Wants to work on a great team of clinicians and administrative professionals. Is licensed to practice.
Wants to collaborate and consult with others. Dropping knowledge! Wants to see clients in our offices as well as work remotely. This includes in-person sessions in the office and telehealth from a remote location (home).

Why you should consider working with us ...

We value each other and our clients.
We are committed to helping you learn and grow as a clinician and welcome your input. We value discourse and conversation, not micromanagement and repression.
We are a smart, fun, diverse and kind group of individuals. We will take care of the business of being a therapist while you work with your clients.
We have reception, billing and administrative rock stars on our team.
We have a supportive fun team environment.
We have ongoing training and a CE library.
We are seeing clients in person!
We offer benefits, training and collaboration.
We offer a flexible hybrid schedule. We close to clients appointments at 3pm Fridays.

We truly love the field we work in and we hope to have some fun along the way! Mental health can be tough on us as well. We want to continue to have a collaborative team that continues to evolve.

The Job

Individual therapy, family therapy, couples therapy and group therapy with adolescents and adults. It is not a requirement that you do all of these; these are therapy options.

We leave you the option to create a group.

Complete assessments, diagnose clients, complete treatment plans and complete progress notes and other needed clinical tasks and documentation in a timely way.

Attend training and consultation to help you expand your knowledge and to help the rest of our team.

Crisis management. Manage your clients' crisis situations and help your colleagues in a crisis.

Be part of our team. This is a mandatory requirement. We are looking to create a community that is enhanced by your individual contributions.

Requirements

Be licensed as an LPC, LCSW, LMFT, PsyD or PhD in the State of Oregon. Have a working knowledge of the DSM.

Have the ability to work independently.

Be honest and ethical and have good character.

Have good communication skills and be relatable and curious. Have critical thinking skills and good clinical judgment.

Be reliable and have timely attendance.

Have word processing / computer skills, time management skills and clinical writing skills. Have good clinical counseling skills.

Have the ability to work on a team, be able to give and receive feedback constructively and have good emotional regulation skills.

Be able to develop rapport, have some flexibility and like dogs (or cats). Attend meetings and training.

Pass a background check.

Ideally be vaccinated against COVID 19 to see clients in person.

Be able to get to our office. We are currently in the Tigard Triangle, SW PDX area near 217 and I-5, on the westside, off Kruse Way and also in Sellwood, near the bridge, on the eastside in Portland.

Benefits

We pay for meetings and required training. We provide training to help enhance your skill set.

We pay for paperwork admin time. 1:5 ratio. We provide a robust CE library. We provide clients to build your caseload. We do not ask you to provide your own clients. We understand some of your clients may choose to seek you out because of the strength of your therapeutic relationship; you may see these clients as well as long as they are insistent about seeing you, refuse to remain where you have been seeing them and we take their benefits.

** We do not poach clients from other practices.*

Paid 2 hours of consultation per month.

Our clinical session rate is \$55 per hour / session TO START. Session rate moves to \$60 per hour after certain requirements are met. Our requirement is 24 clinical hours for a 'full-time' position.

Up to 3 weeks of Paid time off per year.

We pay for liability insurance.

We do the marketing for you.

Very important! We have the BEST admin support so you can focus on the clinical aspect of the position. This might be one of the best parts of the position.

Dog friendly office. Snacks available in the office.

Hybrid work environment.

Flexible work schedule and a calm work atmosphere.

We offer retirement at the start of employment.

Health insurance (medical, dental and vision) to 'full time' employees. We do some group outings and get together as a team.

We are looking to remain a smaller concierge group practice.

We are an equal opportunity employer.
